Finance in Corporate  
(Sponsorless) Acquisitions***

**Deutsche Bank** 

# Alastair Macdonald

Alastair Macdonald is Regional Head of the Global Lending Group within Deutsche Bank responsible for the origination of investment grade lending and acquisition finance.

Recent M&A financing experience includes, Vattenfall, News Corp, the demerger of Accor Services group from Accor Hotels, Danisco's sale to Dupont, Casino's acquisition of assets in Thailand, acquisitions for BAT's and Reckitt, Yara International's bid for Terra and High Speed 1, in addition to numerous corporate financings.

Prior to joining Deutsche Bank in 2007 Alastair was at Dresdner Kleinwort in a similar role, including financing the £2.2bn acquisition of GHG Healthcare by Netcare. Alastair began his career at M&A advisory boutique Broadview Associates, having graduated from the ESC Reims Business School in France.
