Documentation Issues  
in bifurcated structures: Senior  
Bonds vs Senior Loans***

# Stephen Mostyn-Williams

Stephen Mostyn Williams has been involved in leverage finance for over 25 years, working on his first buyout financing in 1986.

Stephen is founder and CEO of DebtXplained ([www.debtexplained.com](http://www.debtexplained.com)) which supplies a unique information and data service to the European high yield market.

He advises buyers and holders of senior and subordinated loans through his legal consultancy business.

A past partner and team leader at four international law firms Stephen also co-founded specialist mezzanine provider Mezzvest where he was a managing director, co- founded and chaired the European High Yield Association and sat on the panel of the Goldman Sachs High Yield Index.

Stephen is based in London and a remote farmhouse in northern Umbria.
